HEROES HOUSE

Find out how you can support us...

Veterans experience homelessness due to a variety of reasons; difficulty adapting to civilian life, family breakdowns, traumas experienced whilst serving or pre-existing problems.

Many veterans won't ask for help and can often go unsupported for long periods of time.

If we win the **People's Millions** funding, **Heroes House** will aim to;

- Provide a safe and secure home
- Help veterans overcome personal barriers to independent living
- Re-connect families
- Re-settle veterans in their own homes
- Get veterans back into paid employment or education.

We will do this through;

- Accommodation for up to 12 months
- Creation of a Personal Development Plan
- Education and employment services through our 'Stepping Stones Project'

- Participation in clubs and activities
- 'Step Down' Mental Health programme support.
- Opportunities to volunteer with organisations/charities
- Life skills development courses
- Key worker support

Our ultimate aim is to provide veterans with the support they deserve so they can re-build their lives.

Vote for **Heroes House** on the 24th November and your vote could help us secure the funding to help homeless veterans.
